

## Protótipo de Interfaces

Protótipo de interface do Sistema de Gerenciamento de uma Biblioteca Universitária desenvolvido com a ferramenta figma.

### I. Login

The login interface features a stylized illustration on the left of a person with long dark hair sitting cross-legged on a stack of three books, reading an open book. The background is a light purple wash with some floating leaf-like shapes. To the right of the illustration are two white input fields with rounded corners. The first field is labeled 'Email' and the second is labeled 'Senha'. Below these fields is a solid blue button with the text 'Entrar' in white. A small potted plant with purple flowers sits on the floor next to the books.

Entrar

### II. Home

The home interface is minimalist, featuring three large blue rectangular buttons arranged horizontally. Each button contains white text: 'Histórico', 'Acervo', and 'Discentes'. In the top right corner, there is a small icon consisting of a square with a right-pointing arrow inside.
